

08 May 2024

Dear Parent/ Carer

### **Work Experience – October 2024**

We are pleased to announce that as part of our career guidance and advice programme we are launching work experience again for students when they are in Year 11. Work experience is a valuable aspect of education that provides students with the chance to gain practical skills, explore potential career paths and develop a deeper understanding of the professional world. The placements will take place Wednesday 23 October to Friday 25 October with the possibility of continuing through to the October half term.

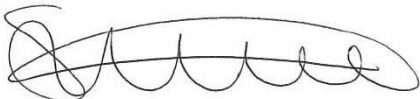

We will be working with the Education Business Partnership to organise the placements for our students. They have over 20 years experience of connecting schools and business together, and will be hosting an information evening for you on Wednesday 15 May from 5:30pm to 6:30pm. The evening will provide you with information on how the process will work and how EBP will be supporting your child to find a work placement.

To sign up to this event please fill in the following form <https://forms.office.com/e/4QC28zkwjy>

The fee for work experience will be £44 per student, this covers the cost of sourcing the placements, carrying out health and safety checks and all of the insurance fees for the placements which are all provided by EBP. This fee will be able to be paid over three payments via Scopay, £15 due by 1 June, £15 due by 1 July and £14 due by 1 September.

We look forward to seeing you for the information evening and for your support with the work experience program.

Yours faithfully

Mrs S Turner  
Associate Assistant Headteacher  
Head of Design Technology

*If, at any time, you should require special arrangements to be made when visiting the school and/or in order to participate fully in supporting your child at school (e.g. an accessible venue for meetings, if you are a wheelchair user, assistance with translation of documents or enlarged copies of communications etc.), please do not hesitate to let us know.*
